

# UX 100/UX 110

## ENGAGING SELF SERVICE AT THE TOUCH OF A BUTTON

Take your unattended transactions to the next level with the UX 100 and UX 110 PIN pads. These secure modules work with other UX devices to meet self-service demands indoors and out. Featuring an LCD screen that helps guide the customer experience, the UX 100 offers high performance and excellent durability. And with its weatherproof construction, the UX 110 is ideal for off-street parking meters, petroleum pumps, ticketing machines and more. Pair them with the UX 300 card reader to optimize your transaction functionality. Simple to integrate, the UX Series features flexible configuration settings with easy, single-cable connection between devices.
